### **RDA announces free Workshops on BBRF**

RDA invites you to attend free workshops on the Australian Government's Building Better Regions Fund (BBRF).

Not-for-profit organisations and councils can benefit from information provided by RDA on the guidelines and making strong applications.

RDA is also sponsoring a special workshop focussing on addressing the economic and social benefits criteria. This will be presented by Matthew Kelly, Economist, at the AEC Group.

The Building Better Regions Fund program includes two streams - Infrastructure Projects and Community Investment, both closing on 19 December, 2017.

RDA invites you to the following free workshops:
