Regional Development Australia calls for Deputy Chair and Committee Members

Regional Development Australia Townsville and North West Queensland (RDA) is seeking regional leaders with vision, drive and business experience who are able to facilitate economic development opportunities and investment for our regional communities and create jobs and growth.

With the recent re-appointment of Cr Frank Beveridge as Chair and with all committee member terms expiring on 31 March, 2021, RDA now calls for applications for all committee positions, including Deputy Chair, with the aim to have our new committee established by 1 April 2021.

Applicants will utilise their networking skills to help build forums which enable consultation between business, industry and all levels of government and develop solutions for regional economic development.

Regional Development Australia is a national network of Committees made up of local leaders who work with all levels of government, business and community groups to support the economic development of their regions. RDA Committees have an active and facilitative role in their communities with a clear focus on growing strong and confident regional economies that harness their competitive advantages, seize on economic opportunity and attract investment.

RDA is an incorporated not-for-profit association, established in 2009, and covers 15 local government areas across the north and north-west Queensland region.

Applications for Deputy Chair and Committee member positions are sought from highly motivated and experienced people who are knowledgeable about the economic strengths and challenges of the region. Applications close 5pm, Thursday 18th February, 2021.

An applicant information pack for these roles and for more information about RDA, visit our website: www.rdanwq.org.au
